**ADDENDUM NUMBER 1
CITY OF WILMINGTON
PURCHASE OF A SHOWER TRAILER FOR THE
HOMELESS OUTREACH PROGRAM
ITB NUMBER S7-0824.2
SEPTEMBER 6, 2024**

To all holders of bid documents:
Please be advised to the following:

Addition of the following information:

It is the City of Wilmington's intent to procure a basic shower trailer to aid in the Homeless Outreach Project.

Removal of the following requirement on page 1 of the bid sheet:

At least one GFCI outlet should be in each shower room, outside the shower stall on a shelf.

Questions and Answers:

1. Question: Is it acceptable to bid a shower trailer with 5 shower stalls and larger holding tank? Answer: Yes

2. Question: We supply a 6 shower stall trailer with variances. Can I submit a bid with variances to include:

A 105 gallon fresh water tank with a built in float system. Answer: Yes

A waste tank with 750 gallon capacity. Answer: Yes

A variance to include 2 A/C units. Answer: No. One A/C unit is sufficient.

Manual tongue jacks in lieu of electrical. Answer: Only electrical tongue jacks will be accepted.

Do you want sinks in each room? Answer: No.

The onboard generator of 7K is undersized. Can we bid a larger generator?
Answer: No. The 7K generator is sufficient for this trailer.

One 30 AMP cord will not run this trailer. Answer: One 30 AMP cord is sufficient to run this trailer.

All other terms and conditions remain unchanged.
