

Wilmington Muni Advisory Board
July 2021 Minutes

Attendance: Gina, Louise, Dean, Brian, Craig, Charles, Joe

Gina chaired the meeting in Steve's absence.

June Minutes: Dean motioned to approve, Craig seconded, All voted in favor, Louise abstained.

Renovation Committee: Aug. 19th contract

Greens and Grounds Committee: Discussed lack of drinking water on golf course in late afternoon, which is an issue in summer when heat and dehydration are a factor. Drinking fountain between No. 6 and No. 15 is still inoperable. David said new coolers are in the rotation. Said there will be a procedure in place to rotate the coolers and make sure they have water in them. Matt said there's usually not a problem in the morning and they are checked early afternoon but ideally will be checked one more time in the mid-afternoon.

The MGA may buy two TVs for the outdoor deck in the new clubhouse.

Maintenance Committee: Will look into a Board landscaping project after the clubhouse is completed.

Marketing Committee: Will send out a survey after the clubhouse renovation is completed.

Superintendent's Report: July 26th should have the pumphouse installed. There's a chance golf course won't have water for three days. Tee box renovation project has to go back before City Council. Tee boxes will be moved around during this time period to protect the workers. Shapemasters told Matt they could complete the project in four weeks. Fairways will be aerified for the first time ever during the golf course aerification project. Drainage improvements on 1, 10, 14 and 15 are longterm projects.

Pro's Report: City Am is Aug. 28-29.

Motion to Adjourn: Dean motioned, Joe seconded.
