Pro's Report

May was a good month. Pro shop sales have increased since moving into the new Pro Shop. See Pro's Report for details.

The course rating has been updated. Usually updated every 8 to 10 years.

Point of sale system is slow, looking into phone delay.

New Ranger is talking to golfers on the course. This is positive step.

Started needs to be more visible.

The use of handicap flags is being abused. Dave will contact the legal office to ask what can be asked to determine who can use handicap flag.

Discussion on use of GPS to keep carts away from greens and area restricted. Cost would be \$15 to \$20/ cart.

Maintenance Summary

Washout on #3 and #5 has been repaired.

Matt recommended with possible Irrigation project coming that a diver be hired to inspect around the pump intake.

North Carolina State University turf specialist will be on site to inspect the goosegrass problem.

See Report for details.

Upcoming items

Aeration of greens, tees, and fairways will take place 7/13-7/15. The course will be closed.

Discussion of possible golfer workday 7/13 -7/15.

See Report for details.
