

# HEAL OUR WATERWAYS HAS A NEW WEBSITE!

City of Wilmington  
Stormwater Services  
P.O. Box 1810  
Wilmington, NC 28402

Did you know that there's a great new community resource for decreasing polluted runoff?  
Visit: [www.HealOurWaterways.org](http://www.HealOurWaterways.org)

## At [HealOurWaterways.org](http://HealOurWaterways.org) you can:

Learn which watershed you live in.

Find out why we should all care about the water quality in Bradley and Hewletts Creeks.

Learn how you can include best management practices (BMPs) in your landscaping to decrease polluted runoff.

Tell us about your already-installed BMPs in order to track your contribution with our Creek Counter.

Get help installing and even paying for BMPs!

ABOUT

Learn about our polluted waterways and why the HOW program is important.

TAKE ACTION!

Find out how you can do your part to help!

WHO'S HELPING

If you have a BMP on your property, tell us about it and we'll put your photo on the website!

LEARNING LIBRARY

Learn how to install BMPs and find what the best ones are for your property.

NEWS / EVENTS

Keep up to date on what's happening in the Bradley and Hewletts Creek Watersheds.
