

Don't forget to SCOOP the POOP

DID YOU KNOW? Leaving pet waste on the ground washes harmful bacteria and nutrients into our waterways when it rains. This bacteria can make humans really sick! Please follow these steps to dispose of pet waste properly.

Clean up after pets on any public property.

Always carry a bag or pooper scooper and be able to show it to a Code Enforcement Officer.

Dispose of pet waste in a trash can.

Do not flush animal waste down the toilet.

Fines are \$250 for not complying with these steps.
